Scents & Sounds of the Season

The smell of baking gingerbread cookies, the **scent** of the fresh pine Christmas tree, the welcome warmth and aroma of an open fire, or a whiff of the sweet, hot spiciness of cinnamon give rise to some of the **scents** of the holiday **season**. Our memories are deeply infused with the smells swirling all around us during this magical time of year and are attached to the holiday traditions that we celebrate. Join Jen for this program, as we discuss how our memories are tied to scents, emotions, and sounds and how this is all intertwined together in such special ways. Join us for this great reminiscing program on **Tuesday, January 30 at 1:00PM**.

Attention Mahjong players:
