Hello Golden Age Center members:

On behalf of the Golden Age Center staff, we would like to start off by saying that we hope everyone continues to stay safe and healthy during the COVID-19 pandemic.

Here are some updates for you; we HOPE to have fun with you VERY SOON! You are all missed so much. Until further notice, the Golden Voice will ONLY be available JUST in digital form. Thank you for staying tuned!

At this time, the Golden Age Center remains CLOSED INDEFINITELY (Consistent Weekly Programs, Transportation, Day Trips, Special Events, Lunch Program, and so forth). Meals on Wheels will continue to run as NORMAL. Should you want to go on the Meals on Wheels program at this time, please call Jen at (716) 420-5027 to discuss the program and to register for the program.

Here are a few things I need you to know at this time:

- The May BPO Coffee Concert has also been POSTPONED.
- The May AARP Safe Driving Class has been CANCELLED. We are HOPEFUL that we will be able to host the AARP Safe Driving Class in August. Please email or call Jen at (716) 420-5027 for more details.
- Please know that if you were to go to the March 27, 2020 BPO Coffee Concert, you will be receiving a gift card credit for the cancelled concert for you to be enjoyed at another time. Once I receive it, I will mail it out to my BPO Coffee Concert goers.
- The Spring 2020 Semester in-person presentations of University Express have been CANCELLED. There may be VIRTUAL, ON-LINE offerings of University Express available in the future. Please look at the Golden Age Center webpage on the Town of Grand Island website and click on the University Express Spring 2020 link.

If you need TRANSPORTATION:

- ◇ Elderwood is offering our Golden Age Center members at a discounted rate. Here is the information that you need to know:
 1. All of their vans are wheelchair accessible. They do not have a set radius; however, they try to keep the distance to about 75 miles (1 way). 24-hours in advance gives them the proper amount of time to locate and book a van. The best number to contact is 716-250-0062. Anyone can always contact Blake, my contact, directly at 724-599-9134 to ensure rides are booked. Please let me know if you have any other questions regarding this transportation. They do NOT offer multiple pick-ups and drop-offs here in Grand Island. They pick up as early as 6am.
- ◇ Bluebird Mobility is still transporting individuals to medical appointments as well but there is a charge too. You may call them at (716) 395-0000.
- Day trips that were paid for in March and April will be refunded when we see you again AND WILL BE CANCELLED UNTIL FURTHER NOTICE.
- Tops is OPEN for Senior Shopping on Tuesdays & Thursdays from 6am – 7:30am so you can safely shop, and Sam's Club has a concierge service from 7-9am on Tuesdays so you can shop safely and with smaller crowds.
- Should you need grocery shopping done at this time and you are afraid to shop, we have a team of volunteers happy to shop for you. You must have a grocery list ready with a weeks' worth of groceries. Call Jen at (716) 420-5027 for more information.
- Meals on Wheels at home is a great option for many homebound seniors now. You can get a hot meal and cold meal daily for \$5. If this sounds like a good plan for you, call me at (716) 420-5027 for more information and to be registered for the program.
- If you need food, here are a few options...
- ◇ We have our Golden Age Center Pantry – call me and let's talk. You can reach me at (716) 420-5027.

What can you do now if you can help?

- Call & text each other or Facetime (if you can) and check in with your friends. Social connection is also key to staying healthy.
- Help out a neighbor (if you can)
- Social distance yourself 6' or more (please please please) AND STAY HOME AS MUCH AS POSSIBLE.
- Try a new hobby (reading, crafting, spring clean, organize, journal, yoga...this is the time to do it!)
- Knit and crochet for our Mitten Project
- Please e-blast any of the groups/programs you are involved in and help us out (Tai Chi, Total Body Workout, etc.) to touch base with your friends to make sure you're all doing okay
- Get a daily dose of sunshine and fresh air by sitting outside or taking a walk around the block

By doing all of this now, and staying home as much as possible and socially distancing yourself can keep yourself and others healthy so we can all be together again soon.

Here are some Virtual Recreational Opportunities available for you to enjoy in the meantime, should you be tech savvy:

Check out the links I put on our Golden Age Center page on the Town of Grand Island website, through Combat Social Isolation, from Erie County Senior Services, plus see the links I sent through this e-blast. Try these great Virtual Recreation Opportunities to keep you having fun and learning something new! From exercise classes, to presentations, to virtual tours and virtual travels, you can have fun right from the comfort and safety of your own home!

- Many workout and fitness on-demand resources are available for you via social media channels, with many now being free. SilverSneakers, now offers members age-appropriate online video workouts from home. (*Google search this!*)
- Learn something new! Over 500 Ivy League courses are now available for free. See the full list here. Be sure to check out the Yale's highly-regarded The Science of Well-Being course (the most popular in its history). (*Google search this!*)
- ***Also, please note that if you have a library card, our own Public Library system has GREAT Virtual offerings, including on-line classes, virtual classes such as virtual storytimes, cooking classes, book clubs, discussions, and so much more! This is a great time to learn something new. *****
- Make masks for our Meals on Wheels volunteers
- Call a lonely senior & spread some smiles and cheer

If you want to help and give back, call me at (716) 420-5027 and I'm sure that I can help point you in the right direction.

Are you a caregiver of someone with Alzheimer's or dementia or another illness? Is it getting more and more difficult to care for your loved one? Please talk to me! I have resources to help you out, including books and guides such as Powerful Tools for Caregivers, based on a class I teach, and other tips and tools. I'd be happy to share some thoughts with you OR lend my books out to you. Please see some fun April Recreation opportunities attached to this e-mail for you from the Alzheimer's Association for you to enjoy.

Once things are back to a new "normal", we will reconnect with everyone with a Welcome Back party and MORE, for sure. I know that I, as recreation and park professional and senior service professional, play an important role in people and communities getting back to a normal life. I strive to provide the programs and services that help make strong, healthy communities and bring people together. It will be a MUCH different world we'll be coming back to, but we'll be all the better for it.

This month of May is ***Older Americans Month*** with the theme as ***Make Your Mark***. E-mail me, share pictures with me and share pictures with me of how you are all Making Your Mark BEFORE the pandemic and NOW while we're apart! I can't wait to share this with all of you. I love all the e-mails and stories you've shared with me thus far, from bird watching, to making masks, to learning a new language, to writing family stories, to making family photo albums, to cooking new recipes, and more. I treasure our talks.

The Golden Age Center number is NOT BEING MONITORED at this time. Please call me at (716) 420-5027 if you need any help, assistance, or have any questions, or need resources. My phone number is above and my email is jrmenter@grand-island.ny.us, and I will have access to email remotely, as I'm working from home to run our department. Please don't hesitate to reach out to me. Stay safe, stay well and be well.

Best, ***Jennifer R. Menter***
