

Spotlight on Veterans:
**Understanding Dementia,
Financial Benefits & Support**

Tues. Feb. 16, 5:30–7:30 p.m.

The Alzheimer's Association, Erie County Veterans Services & the Caregiver Support Program at the VA WNY are offering a free online program focused on veterans living with dementia and their care partners:

- Basics about dementia
- How dementia affects the brain
- Benefits available for U.S. Military Veterans
- Caregiver support offered through the VA system

Required registration: bit.ly/vetsdementia

alzheimer's  association®

This program is funded in part by a grant from the New York State Department of Health.
