

**VIRTUAL  
MEDICAL CARE**

# RN ON CALL MEDICAL SERVICES

Our nurses are highly trained in telephone triage and their goal is to direct effective, quality care to keep people at home and out of the emergency rooms where appropriate. A registered nurse will answer every call, he/she will discuss your immediate medical concerns, perform an assessment and will direct you to the appropriate level of care.

## COUNT ON VIRTUAL MEDICAL CARE RNS

- Assess acute medical injury, illness, and medication concerns
- Provide compassion and understanding, even in the most chaotic situations
- Triage your call to the right level of care, in the right place, at the right time

## VIRTUAL MEDICAL CARE PERFORMS VARIOUS LEVELS OF CARE TO SUIT YOUR NEEDS

- Nursing telephone triage
- Nursing assessment via video visit
- Coordination of a telemedicine video visit when appropriate
