

Team Up

On December 8th & 9th, Miss. Silvestri and Mrs. Kosmoski's High School Life skills class, teamed up with Miss Nowak's Food and Nutrition classes. Together the students made 3 different types of cookie dough, baked, and decorated cookies for their Holiday Cookie Tray Fundraiser. The Cookie Trays were then sold to teachers in the High School and Middle School to raise money for a family the Life Skills Class adopted this holiday season through the Salvation Army in Tonawanda. The Life Skills class was able to raise over \$300.
