NFL Code of Conduct

I will always respect the decision of the officials

I will be supportive & keep my comments positive

I will never do anything to deter the players love of the game

I will refrain from entering the field of play during or immediately after the contest for safety reasons

I will never use profanity or physically attack a person, player, coach or official

I will do everything in my power to negate trash talking! It's NOT a healthy part of interscholastic athletics

I recognize the emotional & physical well being of the players are first, before my desire to win

I will encourage a safe & healthy environment for both teams

I will remind myself that the game is for the kids & not the adults

We, the student athletes of the Niagara Frontier League,

Sincerely hope that if all the parents, spectators, & fans can follow & abide by these rules, the GAME will be much more enjoyable for all.
