

Photographer – Fred J Claus hosts Fundraiser for Local Dog Club

Family portraits should include all members of the family don't you think? Photographer – Fred J Claus thinks so, that's why he will be hosting a "Furry Friend's Family Foto" event. This event will be held at the Nike Base at 3278 Whitehaven Road, June 5th from 12-4pm. Everyone is welcome to come bring your dog for a dog/owner portrait (Huskies will be on hand so I wouldn't advise bringing cats). 5x7 prints can be ordered at the event for \$10.00 each, and 8x10's for \$15.00 each. The portrait session will be a fundraiser to help the Siberian Husky Club of Niagara Frontier who meets at this location the third Tuesday of Every Month. A portion of the proceeds from this event, Photographer Fred J Claus will be donating back to the club, in an effort to help them in their support of the SPCA and other dog related programs. Members of the Husky Club will be on

hand as well to answer questions about responsible pet ownership and other related issues.

If you are interested in attending this event, please email Photographer Fred J Claus at Fred@FredJClaus.com so that we can be better prepared for the amount of pets we will need to photograph.
