

1st Annual **invitrogen® Grand Island** **Benefit 5k run/walk**

We have proudly selected the Make-A-Wish Foudation® of WNY as the beneficiary of this event.

The Make-A-Wish Foundation® of Western New York grants the wishes of children with life-threatening medical conditions to enrich the human experience with **Hope, Strength, and Joy**. The Foundation's mission reflects the life-changing impact that a Make-A-Wish® experience has on children, families, referral sources, donors, sponsors, and entire communities. Since its humble beginnings, the organization has blossomed into a worldwide phenomenon, reaching more than 140,000 children worldwide.

Invitrogen is a company on Grand Island, NY which betters the human condition through innovations in science and technology. We provide products and services that support academic and government research institutions as well as pharmaceutical and biotechnology companies.

The Make-A-Wish Foundation grants wishes. Invitrogen helps achieve those dreams through innovation, technology and science.
 Together, hopes and dreams can come true.

Route:

Starting on Staley Road in front of Invitrogen.
 Running down Staley to West River Road, and turning right on West River Road.
 Running along Niagara River on West River Road to the turn around point, the intersection of West River Road and Whitehaven Road. Returning to Staley Road and then down Staley to finish in front of Invitrogen.
