

Island Presbyterian Church presents the movie,
"Joshua"

January 26th

6:00 p.m.

When Joshua moves to a small cabin on the edge of town, the local people are mystified by his presence. A quiet and simple man, Joshua appears to seek nothing for himself.

He supports himself by working as a carpenter. He charges very little for his services, yet his craftsmanship is exquisite. The statue of Moses that he carves for the local synagogue prompts amazement as well as consternation.

This attracts the attention of Father Tordone, who is a bitter man due to the fact that he lost a position in the Vatican. When the mysterious Joshua miraculously cures a blind woman, Father Tordone believes Joshua is a false prophet, trying to cheat people. After more miracles, Father Tordone seeks out an official condemnation from the Vatican.
