

Golf / Fundraiser for the Benefit of

Austin Against Autism

Austin is the son of Matthew and Stephanie Irons and grandson of Tom Rodriguez and Linda Irons

Austin is a 7 year old boy that lives with 2 significant afflictions; Severe Autism and Russell Silver Syndrome, a very rare growth disorder. This combination affects Austin's growth rate and weight gain along with enduring seizures, severe Autism symptoms and the inability to communicate effectively. Austin receives the loving care of his family but as you can imagine the financial resources needed to provide the appropriate medical care can be daunting. Please help us ensure that Austin is able to receive the equipment, medications and technology needed to enhance his quality of life. In addition, a portion of the proceeds will be donated to the Autistic Foundation plus other child oriented charities
