CARING 4 KEN

Benefit for Ken Kalinowski

On August 24, 2012, Ken Kalinowski, a life-long WNY'er and Grand Island resident was diagnosed with stage-4 colon cancer. After multiple surgeries and rounds of chemotherapy Ken had to stop working in May of 2014. The overwhelming costs of his medical care and lost wages are taking its toll on Ken and the family. Family, friends, neighbors and complete strangers are taking part in a benefit called "Caring for Ken." We hope to see you there.

Saturday 4/25/2015
1:00 – 6:00 PM
