Luke was diagnosed with Acute Lymphoblastic Leukemia (A.L.L) on December 18, 2013.  
He is currently receiving treatment through Roswell Park and will continue for another 2 ½ to 3 years.  
His treatments vary from outpatient visits, to week long hospital stays.  
Many times throughout treatment Luke will need to receive platelet and blood transfusions.  
Luke is currently a 1st grader at Charlotte Sidway School.

**Our team is running the Buffalo Marathon as a Relay Team in honor of Luke.  
We are raising money to help offset family expenses.**
