The 4th Annual

"Masters"

August 3, 2009

River Oaks Golf Club
Grand Island, NY

In cooperation with

Dear Friends:

Cross Training Football would like to invite you to the 4th Annual Masters Memorial Golf Tournament. Each year we seek to honor "The Legend" and help it continue through you, the individuals who played for Coach Masters, coached with him, and admired him. The Tournament's objectives are to raise awareness and finances for the present efforts of Cross Training Football; contribute to the organization's successful work in Western New York, and provide proceeds for the Masters Memorial Scholarship Fund.

Cross Training Football (CTF)

CTF is an organization whose distinct objective is to equip junior and senior high school coaches and athletes with training in Character. This past school year CTF served, encouraged, and trained over 1000 athletes and 90 coaches at nineteen WNY Schools with curriculum designed to coach the COMPLETE Player. CTF is dedicated to the transformation of our sports culture by developing leaders and men of character -*Training the heart of a Champion from the Inside out.*
