

November 8, 2010

Dear

On November 28, 2010, we will be holding a fundraiser at Mallwitz's Island Lanes to benefit Joann Santospirito.

Joann Santospirito, a long-time island resident, was recently diagnosed with colon cancer and underwent surgery to have a tumor removed and the doctors found that it has spread to her liver. In the upcoming weeks Joann will be meeting with doctors at Roswell to determine the appropriate course of action. As Joann prepares for her battle, our goal is to raise funds in an effort to help her with the mounting medical expenses.

We are asking for the support of local businesses and the community as we hold this fundraiser for Joann. There are a number of ways you can help us achieve our goal:

- Make a monetary donation (made payable to Joann Santospirito)
- Donate an item to be entered into a silent auction
- Put together a basket of items to be raffled off
- Donate a gift certificate to be raffled off

We hope you consider supporting Joann as she prepares for her biggest challenge. Any contribution will be greatly appreciated.

Thank you for considering this request. If you have any questions, please do not hesitate to contact:
