Early on March 7, 2009, Amy Stewart (22) was involved in a hit-and-run accident. Amy was left in critical condition with severe head trauma and underwent extensive brain surgery. Currently Amy is still in a coma but is staying strong and progressing everyday at ECMG. Amy is a Grand Island resident and always has been active and involved in the community since she was young. She is a teacher at Glendale Elementary and was furthering her education at University of Buffalo for her masters. That all has been put on hold for right now due to this tragedy. With continual support & hope from family, friends, & community we can all help Amy Stewart with the financial end of the accident. This will allow Amy to focus on the most important part, which is recovering and healing.

With heartfelt thanks and gratitude from Robert, AnnMarie and Michael Stewart and Meghan. Also extending thanks from grandparents Helen Stewart, Joseph & Nancy Samrany. Aunts, Uncles, & Cousins of the following families: Stark, Stewart-Marshall, Henry, May, Calire-Lombardo, Podlucky, & Miller.
