.....

Amy Stewart, a life long resident of Grand Island was involved in an accident in March that left her with severe head trauma. After a lengthy stay at ECMC she is currently progressing with her rehabilitation and medical care. Amy is strong, full of life, fun loving and a very special young lady who needs our support and prayers at this time. Thank you for your support of this benefit event from all of Amy's friends and family! The first 200 people to sign up will receive an official Strides for Stewart t-shirt! Refreshments and a basket raffle will be held at the end of race.

You can pick up entry forms at: 1) The Grand Island Recreation Dept at the Nike Base,  
2) Grand Island Veterans Park Concession Stand or 3) The Grand Island Library.
