

Visit the.....

# Spooky School

Cafeteria 2 has been taken over by creepy things that go bump in the night! You are invited to see the strange goings on and have fun participating in learning centers for a donation to The American Cancer Society. Donating might not be scary, but the room is!!!! Please bring your donations to your classroom teacher by Monday October 26th. The classroom with the highest donations will be awarded a pizza party on October 30th!

*\*\*This experience is designed for elementary children, no blood and gore! Teachers will schedule a time for the class to visit during October 27-30.*
