

Dan McBride

A DAY FOR DAN

*Dan, father of
Rachael and Nick McBride*

*was diagnosed with Mantle Cell Lymphoma in January, 2006.
He underwent a bone marrow transplant in October 2006 and was
cancer free until his relapse in January 2009.*

He once again is in need of another bone marrow transplant.

*Dan is the 2009 Honorary Survivor for Relay for Life of
Grand Island supporting The American Cancer Society.*

Please come to show your love and support to Dan and his family.
