**The split club is now  
\$109 and counting...**

Lion Anne drew the two of hearts at our May 8th meeting.

Hi everyone,  
Yes, it's here...June...and we are closing in a very successful Lions' year. I am happy to report that we have been distinguished throughout our district, our state, and at the international level with perfect membership retention, activity relevant to our community, and to our mission as Lions, and soon, club excellence! Yes, we did it and I have to heartily thank each and every one of you for making Grand Island Lions one of the successes in Lionism. I will address the club at our installation dinner about the successes and also the stumbles we encountered on our way to this point so please make it a point to be there. I promise it will be interesting...also I solemnly promise, Diana and I **WILL BE THERE...**lol...even though it will be our 20th anniversary. You didn't forget last year, did you?

Our club is strong and it does make a difference farther than you may realize. I hear about us at conventions, cabinet meetings, my dealings with the multiple and, yes, at the international level. My best wishes to Lion Brooks as he takes on the reins as your President. He will have help of a truly wonderful club. Unabashedly, I love this club!

Enjoy your summer, my fellow Lions! We have activities throughout the summer, so take some time and acquaint yourselves if you've been away from us. We'd love to see you!

Yours in service and friendship,  
Lion Tom Witkowski

Lion Sean Kelly (left) from Kelly's Country Store Presented a check for \$2800.00 to Lion President Tom Witkowski at our Lion's regular dinner meeting held at the Holiday Inn on May 8<sup>th</sup>. The Money, earmarked for the Special Kids Picnic to be held on July 17<sup>th</sup> of this year, represents all profits from the annual sale of Christmas trees at Kelly's Store. The sale in it's third year has progressively improved with Sean noting they have added 100 tree stands this year to make it easier to pick out a tree. Supporting the Special Kids picnic is a rewarding tradition for Kelly's started by Sean's Father Mike Kelly who was a long-standing member of the Lions and for many years donated his time and store resources for the benefit of kids with special needs.

A Doctor asked his patient about his activity level and how he spent a typical day.

" Well, Doctor," the patient said, "yesterday I took a five-hour walk through four miles of rough terrain, I waded along the edge of a lake, got sand in my shoes, climbed several rocky hills and almost stepped on a snake."  
 "You must be one heck of an outdoorsman."  
 "No, I'm just one heck of a bad golfer."

Lion Dick Crawford presents a \$500 check from Tops Markets to Lion President Tom Witkowski at our May 22nd meeting. The donation was a part of Tops "Living Here Giving Here" campaign that coincided with their Grand Reopening of their remodeled store on the Island.
