Split Club Jackpot is \$167.00

Lion Bob drew the ace of clubs at our last meeting. The Lion who draws the ace of hearts will win the pot.

Lions,

Mother nature has been kind to us so far with little snow and mild temperatures. I know it is only January but, every day we are closer to Spring and the 47th Annual Spaghetti dinner. Mark your calendar for Monday April 24th, Radisson Inn. All Lions are needed to continue to make this premier event successful.

Our next meeting at Mallowitz's Island Lanes on February 8th will be one not to miss. Bring your significant other and wear your best bowling shirt!! Please bring a perishable food item as we continue our support for the Neighbor's Foundation food pantry.

Lions who attended our January 11th meeting pose with Lion President Dick Crawford as he presents our Guest Speaker, Maria Kraus with a check for \$100 for the Muscular Dystrophy Association (MDA). MDA has served over 100k individuals throughout the USA. The local MDA hosts a summer camp in Rush NY for 1 week for children. Last year 72 children attended with counselors the last week of June. Local retailers help raise money for the camp by "selling" paper shamrocks in March in support of the camp. The MDA in Buffalo also has a loan closet that has wheelchairs, beds, and walkers. Maria answered questions and was invited to attend the SKP in July.

Where in the world is Lion Anne?

There was a new Lion that joined a local club in a small town. She was not one to travel too much so when she signed up for the international convention the lion president suggested what hotel to stay in and where to go to eat. The lion president informed her of the opening ceremonies and that they should meet at 8AM in the convention hall entrance. The next morning the lion president was waiting at the predetermined time and place but the young new lion did not show up. Concerned, he called her cell phone only to hear her in tears telling him she could not get out of her room!

“Why not?” asked the president, and she told him: “there are three doors in her room and one door leads to the bathroom, one door leads to a closet and the third door.....

.....
Has a sign on it that says:
“DO NOT DISTURB.””

Although our club didn't win in the recent Brandel-Murphy Youth Foundation Super Bowl Raffle, I would like to thank my fellow

members for the club's continued support for the Foundation through which we have benefited with \$4,000 in grants for the Miracle League Playground and our own Special Kids' Picnic.

"A new initiative for Lions Club members has been announced. A \$100.00 discount for basic level technology

hearing aid and \$250.00 discount for high level technology hearing aid are available. A second initiative has been put in place called RAP (reconditioned hearing aid program) where persons whose income is somewhat above the rigid financial standard for the Lion Ann Stadelmaier Fund can obtain a reconditioned hearing aid, including a one year warranty, for \$350.00. PDG Tom is available for additional information at 694-4710."
