

Fridays, 7:00—8:30 Starting January 13th

Celebrate Recovery offers freedom for anyone with a hurt, a habit or a hang-up. The Bible says *"all have sinned."* It is our nature to do wrong. None of us are perfect. Because of our wrongdoings, we hurt ourselves, we hurt other people, and others hurt us. This means each of us needs to turn our lives around through recovery in order to live our lives the way God intended. Using the 12 steps to recovery familiar to other groups, **Celebrate Recovery** is Christ-centered and focuses not on the "issues" but rather on the spiritual principles for recovery. Whether you are dealing with alcoholism, divorce, codependency, domestic violence, drug addiction, sexual abuse or addiction, food addiction, gambling addiction, control issues, or compulsivity, **Celebrate Recovery** is for you.
