6th, 7th and 8th Graders Invited to Tour Connor Middle School

Many students get nervous about starting school in September. To help ease the anxiety of 6th, 7th and even 8th graders, we invite students to visit the middle school for a self-guided tour. We welcome parents and students to visit our building on Monday, August 24th and Tuesday, August 25th. Students can obtain a map and tour the building, as well as practice opening a locker. Sample schedules will be available for each team for each grade level, for students to use as a guide. The building will also be open from 6:00 – 7:00 PM. on August 25th.

Please come join us!
