

# One Island, One Team, One Dream, to be Drug Free

*For a healthy, drug free school and community*

March 4, 2013

Dear Community Partner;

By way of quick introduction, *One Island, One Team, One Dream, to be Drug Free* is a community coalition primarily focused on alcohol and drug prevention. Almost every sector of our community is involved, as well as a number of support agencies from other communities.

I am writing to you at this time because, among our many other initiatives, we are planning a "Coffee and Community Conversation" on April 16<sup>th</sup>, 7-8:30 pm at the Grand Island Fire Hall, for the purpose of educating our community on the epidemic of prescription drug abuse. Prescription drug abuse has now surpassed automobile accidents as the leading cause of accidental death in our country. You and your company are an integral part of this community, and as such play a key role in shaping its identity. The young people that we target are your future employees and customers. We are asking you to consider two ways of helping. You can send a donation in any amount to Grand Island Town Hall, 2255 Baseline road, c/o One Island, One Team, One Dream, to be Drug Free. The second way you can help is by sending out information about the event to your customer database. An electronic copy of the attached flyer or postcard will be provided upon request. Just send an email to one of the addresses at the bottom of this letterhead. In addition, if you would like to display a poster in your business saying that you support our coalition, one can be provided for you.

We hope that, at the very least, you will display the attached flyer and make your staff aware, extending an invitation to them to attend the event.

Thank you in advance for your consideration. We look forward to working with you in our effort to make Grand Island one of the best places to live and work in Western New York.

Sincerely,

Dan Stinson  
Chairman
