

## “CANDLES OF HOPE”

On Saturday, May 31<sup>st</sup>, we will be celebrating our annual American Cancer Society Relay For Life of Grand Island & Surrounding Communities event. Relay For Life is an overnight celebration of hope, progress and answers. This year we anticipate over 2,000 participants, cancer survivors and community supporters to attend the event. During the event, luminarias will be laid out alongside the track and lit at sunset.

Each light is dedicated to an individual who has battled cancer and will burn through the night lighting the path of hope.

We will be reserving 100 special luminarias that will be used to spell out the word HOPE on the “Hill” as a glowing tribute to everyone touched by cancer. We will also have HOPE lanterns as part of the luminaria ceremony. We are giving businesses the opportunity to buy a HOPE luminaria or lantern for \$100 each to show their support of the fight against cancer.

The funds raised by the Relay For Life help the American Cancer Society accomplish the mission of Research - to find a cure, Education - to prevent cancer and detect it early, Advocacy - to enact laws that help reach goals to eliminate cancer, and Service - to help everyone touched by cancer make it through the journey.

Please come to the American Cancer Society’s Relay For Life of Grand Island & Surrounding Communities Event on Saturday, May 31<sup>st</sup> at Veteran’s Park on Bedell Rd., to celebrate hope with your community. Thank you for your support!
