The Official Sponsor of Birthdays.
Thanks to the generous donations from corporate supporters and individuals like you, we save lives by helping people stay well and get well, by finding cures, and by fighting back.

Visit www.relayforlife.org for more information or to find a Relay for Life event near you.

A chicken wing eating contest that goes from Buffalo to Brooklyn and NJ & PA too!

The Challenge is two-fold - to eat the most wings and to raise the most money in the fight against cancer!

Buffalo's reputation is on the line.... We came in 3rd the first time around.

Now's it time to get serious! Buffalo is known for our World Famous Wings and for our World Renowned Cancer Fighting and Research Facilities... we need to make sure the rest of NY knows we don't mess around!

We need your help to cheer on Team Buffalo (3 guys, 3 girls & a Veteran) to wing eating victory while helping them to a fundraising victory too.

All proceeds will go towards ending the fight against cancer!!!
