INFORMATION/QUESTIONS?

RENEE GUGINO – 716-909-4646

Two very special people were diagnosed with cancer in 1988. Billy Gugino Jr., at just 8 weeks, was diagnosed with a brain tumor and his grandmother, Lynnette Grisanti, was diagnosed with breast cancer. Billy passed a short year later, while Lynnette fought another 4 years.

Billy was Lynnette's first grandchild.

On the anniversary of Billy's passing, Lynnette reminded us of John 11:25, "I am the resurrection and the life, he that believeth in me, though he were dead, yet shall he live."

She was reminding us that those who believe in God the Father shall one day be reunited in heaven. Until that time, Lynnette and Billy will always be in our hearts.

All proceeds will be donated to the American Cancer Society/Relay For Life of Grand Island. Relay For Life is a nationwide community-based volunteer effort of the American Cancer Society supporting their mission to save lives, celebrate lives, and lead the fight for a world without cancer through research, education, advocacy and services.

In the first 15 years, the Friends of Lynnette raised \$53,500 to fight cancer with the support of sponsors, volunteers & riders. After a short break, we're back working towards raising our next \$50,000 and we need all your help and support to do it. Let's go!

HELP US FIND A CURE AND
FINISH THE FIGHT!!

THANK YOU SPONSORS
