ANNUAL ROTARY CLUB OF GRAND ISLAND'S *UNDIE SUNDAY Jan 14th – 21st*

With the cold of winter upon us the Rotary Club of Grand Island will host its annual Undie Sunday 2024 collection between Jan 14– 21. For 24 years the Rotary Club has sponsored the collection of new and unused underclothing and socks which provide personal dignity, comfort and warmth and are so much appreciated by those who receive them each year. There is a particular need for warm socks, T-shirts, men's underwear, sizes Large, Extra Large and XX Large and all women's undergarments including leggings.

The donated items will be distributed to the Community Mission of Niagara Falls and other missions in the area.

Look for the distinctive Red Hampers or cans in locations around Grand Island to deposit your gift of undergarments and warm socks. These will be at locations around the Island including but not limited to the following churches:
