KidsPlay Outdoor PC Soccer

Whether you are a 3 year old who has an early interest in soccer or a 34 year old looking for a fun way to introduce your child to organized sports, PC Soccer is a perfect fit for you. KidsPlay coaches work in partnership with parents to give young players 1:1 instruction during their initial exposure to the game. Each class begins with 10-15 minutes of individual instruction followed by fun instructional games that parents and children can play together. Class concludes each week with a parent vs child or child vs child scrimmage. Two KidsPlay coaches teach a maximum of 18 children in each class. A KidsPlay T-Shirt is included in the program fee. No Blob Soccer is allowed! The philosophy of Level I Soccer stresses skill development and learning in a fun and friendly atmosphere.
