

Erie County Sheriffs Office Media Release Summary

Dates: 12/05/2022 to 12/11/2022

The Erie County Sheriff's Office responded to 257 calls the week of this report. Below is a sampling of the noteworthy incidents in **Grand Island**.

Date	Type	Street	Narrative
12/5	UUMV	Woodlee Ln.	Deputies received a call from a resident on Woodlee Lane who said his vehicle is gone from his driveway. When deputies arrived they were notified that the vehicle was found by his wife around the block in the street. Apparently whom ever took it left it in the street because it was almost out of fuel. Vehicle was returned to owner safely.
12/5	UUMV	Marilyn Dr.	Deputies were called shortly later for another missing vehicle a few blocks from the earlier one that was taken. This vehicle was also found later in the day about a mile away from the residence left on the side of the road. Vehicle was returned to its owner. The Sheriff's department asks that you lock your vehicles and remove keys and valuables if possible.
12/6	SCAM Larceny	Grand Island	Deputies are still receiving complaints of some scams going around currently. The current ones are phone calls from the US Marshalls or Sheriff's involving a possible warrant, these are scams. Also messages or phone calls involving sending you a check to cash in which you send them some of the money back from your account. Please be aware that these checks are fake and they will bounce from your account several days later. Don't accept any of these checks just discard them.
12/7	Larceny	River Oaks Golf Course	Deputies received a call from maintenance at the golf course. They are missing a Bob Cat skid steer and a trailer, taken sometime overnight. Detectives were notified and a police report was filed.
12/11	UUMV	Woodlee Ln.	Homeowner called deputies today to advise that his vehicle was stolen from his driveway again. We were aware that the thieves still had the spare key and apparently they came early this morning and took the vehicle again. A few hours later the vehicle was once again located a few blocks from the house and returned to the owner unharmed.
