

COALITION FOR RESPONSIBLE DEVELOPMENT FOR GRAND ISLAND (CRED4GI)

WHEN: FRIDAY, JULY 10, 2020, 6:30 PM

WHERE: 1583 W. RIVER RD. (BRING A LAWN CHAIR & MASK)

ZOOM: ID: 451 256 1092

ZOOM PASSWORD: NO PASSWORD REQUIRED

You are all invited to attend the first meeting of the coalition to stop development of the Amazon Distribution Center on Grand Island.

Our coalition is called "ISLANDERS FOR RESPONSIBLE BUSINESS DEVELOPMENT"

The proposed facility would be the second largest warehouse in the world, a staggering 3.7 million sqft, MORE THAN TWICE THE SIZE OF THE WALDEN GALLERIA. This will cause lasting damage to our natural environment, roads and bridges and permanently set a precedent. Amazon is ALREADY advertising open positions on Grand Island for immediate hire and ALREADY APPEARS ON GOOGLE MAPS AS AMAZON GRAND ISLAND. The critical decision for the Town Board is whether or not to rezone the site which would allow the project to proceed.

AGENDA FOR JULY 10TH MEETING:

- Distribution of informational materials
 - Organization of volunteers and resources
 - Discussion of the project facts (Q&A)
 - Discussion of the legal specifics and our options going forward
 - Explanation of outside organizations who will be helping us
-
