

Grand Island Citizen Science Meeting: Tonawanda Coke Soil Study

Saturday, December 3rd. 11 AM -12:30PM
Town Hall, 2255 Baseline Road, Grand Island,
NY 14072

*Affected by the
pollution of
Tonawanda Coke?*

*How do I
know if I'm at
risk?*

*How can I get
involved?*

Informational

Meeting

In collaboration with Supervisor Nathan McMurray, University at Buffalo, and SUNY Fredonia, join us December 3rd on Grand Island to discuss

- Information regarding the local soil study Tonawanda Coke was ordered to fund and how you can get involved.
- Moving forward as community by arming ourselves with citizen science tools to protect ourselves from future environmental threats.
- Information on the \$11M Tonawanda Coke Health Study will be available too.
