“Every Child Deserves the Chance to Play Baseball”

The Miracle League is a not-for-profit organization specially designed to give children with mental and/or physical disabilities the opportunity to experience the joy and benefits that come from our National Pastime- Baseball!

Our players may not be able to run the bases or hit the ball as well as some of their peers, but they have an equal amount of love and determination to play baseball. Every child deserves a chance to play baseball – The Miracle League’s goal is to help them achieve that dream. As natural grass fields are the primary barrier for these children, The Miracle League Teams play on a custom-designed rubberized turf that accommodates wheelchairs and other assistive devices while helping to prevent injury.
