Bring it on... the SUNSHINE, that is!

Time is of the Essence

As the sun shines brighter these days, we want to bask in the rays and enjoy the beauty. However, we need to act quickly to halt further action from NY State from closing our Scenic Parkway off to vehicle traffic. Our attorney is working diligently to gather information. We have tasked him to request from NY State to provide the residents of Grand Island the full list of details from A to Z regarding the Parkway closure.

Big Six Mile Marina

Big Six Mile Marina opens on Saturday May 6 to October 8, 2017.

There is no further update at this time on the improvement of their building facility.

Save The Parkway:

Our online Go-Fund-Me page is set up to accept monetary donations from abroad. The site link can be circulated amongst public, family, friends, social media and others that wish to contribute towards our battle to **Keep the Parkway OPEN** to vehicle traffic. We lobby to build the multiuse (bike) path as per 2014 plan and contract.

Information can also be found on the website below: Grand Island Concerned Citizens For Responsible Government. <http://giccfrg.com/>

Tourist Homes

The rental of residential homes to tourists remains to be further discussed with Town Board. The current Law remains in effect.

Please share the link: gofund.me/2sdm4zw.

We welcome Checks or Money orders.

Please make out to **WRHOA**.

Town Elections

Voting season will soon be upon us this Fall. It is important to remember that 2 of our supportive Counsel members that agreed to the original 2014 Bike Path plan and have voted against the parkway closure as proposed by our Town Supervisor. Their term will be expiring this year and 2 new Counsel Seats are up for election.
