

# Mother's Day Zonta Yellow Rose Bush Sale

The yellow roses, hearty hybrid variety from Canada;  
2 gallon pot for your outdoor planting \$25.00

Please make a tribute to a woman (living or deceased) who made a positive impact on your life. We will post a list in the local Grand Island paper of the names of women you are making tribute to when you purchase this outdoor rose bush.

Our yellow rose sale is taking place around Mother's Day since these bushes and the tribute could also make a lovely Mothers Day gift.

Zonta's symbol is the yellow rose. Please help us!

Zonta International, organization founded in Buffalo in the 1917, works to improve the status of women locally and **worldwide**. We are a group of professional women who provide funds for education, medicine and materials to make a living to young girls and women who would otherwise be illiterate, indigent, and even put into human trafficking, (some taking place right in the USA ) **Locally** we fund scholarships to a girl graduate of Grand Island High School or deserving adult woman. We also bring needed goods to Carolyn's House a Niagara Falls organization, which helps needy women become self-sufficient.

"Zonta" is a Sioux Indian word meaning "fair and square". Our organization works hard at these charitable causes to live up to our name.

To order (must be pre-paid) Please make checks payable to: The Zonta Club of G.I.
